Prize Give-Away Form

All exhibiting companies are encouraged to participate in the Prize Give-Away. By contributing a prize to the Prize Give-Away event, you will gain visibility and increase your contacts at the CGA Excavation Safety Conference & Expo.

How it Works?

- You will be given a fish bowl with a sign that says you are participating in the Prize Give-Away Drawing.
- Have attendees drop in a business card, or have blank forms available to fill out.
- Starting at approximately 4:15pm on Wednesday, March 7 a representative from Infrastructure Resources will be walking to each participating booth with a microphone, drawing and announcing the winners. Each exhibitor will be recognized for donating a prize and be given the opportunity to speak for up to 1 minute about their company.
- Winners must be present during the drawing.

Prizes should be a minimum value of \$100. Some ideas include:

- Any of your products
- iPod
- GPS System
- Gift Card
- Use your imagination!

All participating exhibitors will get additional recognition in the on-site show program.
